Ingredients Turkey is a specialised exhibition for ingredients suppliers who are seeking to grow their business in Eurasia. Exhibitors have the opportunity to raise the profile of their brand, introduce products to market, network with existing/new contacts, assess the competition and forge new business partnerships with food production companies.

Why Turkey?

- Turkey's population exceeds **76 million** – **17th** most populous country in the world
- The country is ideally located in both **South-Eastern Europe** and **South-Western Asia**, making it a favourable destination for foreign direct investment
- Average consumer expenditure per capita equalled **US\$11,275** in 2014
